

NO FINISH LINE CAN HIGHLIGHT AND COMPLEMENT
THE BEAUTY OF SURFACES

LIKE

ODIE'S®

Complete line of finishes that give ultimate control over sheen, color, contrast and tonality.

Renowned as the world's greatest wood finish line, Odie's is also uniquely useful for treating leather, plastic, metals, and masonry surfaces.

Odie's was developed by a master woodworker for woodworkers in all industries, to solve their unique problems. It is the ultimate wood finish and stabilizer and is the most cost-effective finish by coverage.

ELEVATE YOUR WORK.

Advance to the new paradigm in surface finishing.

Join the Odie's Revolution.

Time-tested Durability

- Ultra-high traffic, museums, restaurants, theme parks
- No water spotting after cure
- Repels hot and cold drinks, grease and dirt
- Ultimate durability in one coat
- Stands up to weather extremes, UV protection

Unparalleled Safety and Environmental Sustainability

- Made only with true Food Safe and Food Grade ingredients
- Ultra-low VOC (meets the toughest non-VOC standards)
- No hidden toxins, metals, or carcinogens
- No "green-washing"

Stunning Beautification

- Incredible depth and chatoyance
- Ultimate control of color, contrast, and tonality naturally
- Achieve any sheen from matte to high luster
- Achieve any desired color with oil-compatible pigments or dyes
- For interior or exterior uses

Super Easy to Use

- Simple Wipe on, Wipe off
- Easily maintained, no fuss repairs
- True single coat finish, ultimate durability in one coat
- Multi-surface uses
- Fast drying formulation
